## BILLY GRAHAM SONG BOOK FOR INDIA

Wherever Christians gather, the praises of Jehovah abound, and this is right. Did not the Psalmist entreat us to "Praise the Lord," and then he added—"How good it is to sing His praises! How delightful, and how right." Psalm 147 : 1 (Living Paraphrase) Yes, the Christian faith is a singing faith, and it has been our privilege as a crusade team to share in that song around the world.

May the Psalms and hymns and spiritual songs contained in this collection add new and fresh expression to your faith.

## FOREWORD

It is a great delight for us to return to this beautiful land of India and to minister the Gospel at the invitation of the churches of India.

This Good News Festival is a team effort, and I am grateful to God for the dedicated staff of co-workers that He has brought together for these meetings. The photographs in this song book feature those who have been involved in this Festival. I am indebted to all of our faithful colleagues in preparatory work, the counseling staff, and associate evangelists - especially to my dear friend and co-laborer Dr. Akbar Abdul-Haqq, whom I met on my first visit to India in 1956. At that time, he was my interpreter for the meetings in Delhi, and for the past fifteen years has been associated with us in our ministry of full-time evangelism around the world. He has always felt a special burden for the land of his birth. Hence he has preached extensively across India in the course of the years gone by.

Together we lift our hearts and voices to God in thankful praise for all that He has done, and what we believe He will continue to do.

## FOREWORD

Dr. Billy Graham, one of the greatest evangelists in the history of Christianity, is the pioneer of mass evangelism in our time. During his first visit to India in 1956, he focussed attention of the church to the effectiveness of mass evangelism with a great demonstration of the power of God to draw men and women to the Great Saviour of mankind. However, it was

not intended by the Lord of the Harvest to be a mere episode. This approach to the extension of the Kingdom of God has been carried on for the past 22 years under the auspices of the Billy Graham Evangelistic Association. I as a national, have had the high honour of being an instrument of God in this work in India. In the course of years, several individuals and agencies have also felt called to this type of evangelism and we thank the Lord for all such co-labourers in the field.

The present visit of Dr. Graham comes in God's good time when mass evangelism of various kinds has proved an effective tool for the advancement of His Kingdom in India. Moreover, the churches of the land are also experiencing a movement of the Holy Spirit in terms of a heightened sense of urgency to share with millions, Him whom to know is Life Eternal. As we welcome Dr. Graham, once again to India, we pray that this, his visit, will prove a new milestone in evangelism across the length and breadth of our beloved country. Such a vision is indicated in the progressive description of this ministry from "Evangelistic Crusades" and "Campaigns" to "The Good News Festivals.
