28th November 2013, 7-30 pm**The Global East - Towards a Theology of Diaspora** - The Christopher Morris Lecture 2013, by The Revd Dr James Siemens, director of the Theotokos Institute, University of C
Ukrainian Catholic Cathedral, Duke Street, Mayfair, after the Divine Liturgy (at 6-15 pm).**Pray for the Unity of the Apostolic Churches**

The Society of St John Chrysostom promotes greater appreciation of the spiritual, theological and liturgical traditions of Eastern Christendom, works and prays for the unity of the Churches of East and West, and encourages support for the Eastern Churches :

- the Byzantine and Oriental Catholic Churches in communion with the Apostolic See of Rome (especially in their contemporary calling to promote reconciliation and the recovery of union between Catholics and Orthodox)

- the Orthodox Church

- the Oriental Orthodox Churches and

- the Apostolic Church of the East.

In the United Kingdom and Europe the Society, founded in 1926, is a group of Catholics of the Latin and Eastern Churches, along with our friends in other traditions, promoting awareness and friendship in the Christian West for our fellow Christians of the East - through prayer and liturgy, conferences and lectures, pilgrimage and ecumenical encounters.

In 1998 the Society was also founded in the United States, where it runs the annual **North American and international Orientale Lumen** conferences.

And in 2000, a new chapter of the Society was established for **Australasia**, based at the Centre for Early Christian Studies at the Catholic University of Australia.

NEW: We are developing our own section looking at books and other resources for Eastern Christianity - meanwhile we are very glad to link to Dr Adam De Ville's Eastern Christian Books blog.

St Thomas Christians Blog

Fr Mark Woodruff, vice-chairman, writes

It was a great pleasure to make contact with a recent new member of the Society, Dr Martin Anthony from Chester. He is an active member of the Syro-Malabar Catholic Church, and we are delighted to link to his [interesting blog on the Saint Thomas Christians](#), with roots from the earliest times in the ancient Churches of Persia and Iraq-Syria.

Dr Anthony presented me with the newly published "The Legacy of the Apostle Thomas in India" by the Revd Dr Andrews Mekkattukunnel, of the [Oriental Institute of Religious Studies India](#), in Vadavathoor, Kottayam (Kerala) and the DVD by the [distinguished priest-musicologist Dr Joseph Palackal](#), "Kerala, the Cradle of Christianity in South Asia", issued by the Christian Musicological Society of India.

Dr Anthony pointed out that, in view of ongoing Malaysian court decisions to forbid Christians to address God as "Allah", in the classic Syriac version of his Church's liturgy which predates the emergence of Islam, in the Thrice-Holy Hymn God is addressed as Holy God - "Qamdish Allaha".
