- Greetings Father,

I was planning on creating an hour long type audio format podcast series. Beginning with the advent of Christianity in India, establishing it's historicity and that Christianity is not a foreign or a colonial religion that came to India off late, clearing the general misconceptions. The general idea is to connect today's people with the Apostolic roots of our faith, which is very slowly being forgotten in our times. We could go on to talk about the east Syriac tradition, chants, liturgy and other customs and traditions associated with it. Talking in great detail about these topics. I am hoping to know your thoughts on this as well and am open to your suggestions and criticisms.

I was hoping that we could do it within the next 2 weeks. Please update me with your schedule and we can work the dates out.

I was also hoping to have a few conversations prior, just to get to know each other well and discuss the topics and fine tune the ideas

Thanking you.

Regards

**Jerin P Joju**
