[Qandīšā alāhā](#) at Syro Malabar Church, Dallas, Texas, USA

This is yet another example of the young American-born [Syro Malabar Catholics](#) reclaiming their Syriac heritage. The singers, Jones Kalarickal and Jewel Sunny, are University students in Texas, and Jewel Sunny is a high school student. Encouraged by their parents, they learned a few [Syriac chants](#) and sang them during [Qurbana](#) on special occasions in their parish. Tensen Kalarickal, who recorded this video said that the youngsters were enjoying singing this chant and were planning to increase their Syriac repertoire. They are, in fact, contributing to the history of the East Syriac language and music in North America. We are grateful to Tensen Kalarickal for sharing this video and granting permission to post it on our channel. If he had not done that, the outside world would not have known that such events were happening in that part of North America. CMSIndia is glad to release this video on the feast day (Dukhrana) of St. Thomas the Apostle.
