

Track 11 – Translation

O you who are invited by a great gesture
To the marriage feast of the living,
To the banquet of the heavenly and earthly beings.

Examine by the light of the gospel,
And cleanse by the divine fire,
And purify your way of thinking worldly thoughts.

The Lord has opened for those
Who seek him a treasure of blessings, and has said:
O sinners, come and take away the deed of your sins.

Purify your heart, become again like children,
So that you may inherit the heavenly kingdom,
And be of its household.
