Notes

CMI Brothers from Ghana & Kenya (Africa) sing CMI logo: in Syriac & 4 African Languages! Here is an interesting rendering of the CMI logo by the CMI seminarians from Africa. They sing and enjoy the CMI logo in the original Aramaic and then translation in four African languages. The singers embellish the original melody that Bro. Thomas Kappil Puthusseril, CMI (Dharmaram College, Bengaluru) set to music. The singers extend the geographical domain of the Aramaic Project to the African continent.

We are grateful to Bro. Thomas Kappil Puthusseril for taking the initiative for this recording and for granting us permission to make it available to our Aramaic Project audience across the globe.
